

**CHANGE TO EXISTING PROGRAM**

EFFECTIVE SEMESTER Fall 2016

Describe below and attach necessary documentation.

CIP CODE 131210

PROGRAM NAME Interdisciplinary Early Childhood Education

- Change Name, Department, or College/School (Attach *Notification of Academic Change* form.)
- Delete Program  Add/Delete Track/Concentration/Specialization
- Other (Describe below and attach documentation.)

Attach University Studies Proposal  
for University Studies Electives

*List rationale and summarize proposed changes below.*

**Proposed change:** Add SWK 405 (Child Abuse and Neglect) as a required course in the Interdisciplinary Early Childhood Education (IECE) program (B.S. and B.A.). Delete EDU 422 (Student Teaching Seminar) from the IECE program.  
**Rationale:** EDU 422 (Student Teaching Seminar) is an elective and is being phased out by the college; therefore, another course must be added for the IECE B.S. to remain at 120 credit hours. The IECE program is adding SWK 405 as a required course for the program.

## CHANGE TO EXISTING PROGRAM

Describe below and attach necessary documentation.

EFFECTIVE SEMESTER Fall 2015

CIP CODE 13.1202

PROGRAM NAME BA/BS Elementary School Education

- Change Name, Department, or College/School (Attach Notification of Academic Change form.)
- Delete Program  Add/Delete Track/Concentration/Specialization
- Other (Describe below and attach documentation.)

Attach University Studies Proposal  
for University Studies Electives

*List rationale and summarize proposed changes below.*

Replace the current program-designated university studies math requirement from "MAT 117 or MAT 140" to MAT 140. This aligns elementary program content with current national licensure examinations.

Replace CSC 199 with EDU 222. This aligns elementary program requirements with state certification requirements and accreditation mandates.

ADD statement "Students may be required to take G01100 to support academic success." This allows advisors to facilitate struggling students efforts to pass the initial national teacher exams.
