Questions for the Fall 2017 COEHS Student Advisory Council Meeting

- Overall, how has your experience been as a student in this College?
- What made the experience a positive one for you?
- How could the College improve this experience for you?
- What messages would you like to convey to our faculty? To our students?
- Do you feel there has been rigor in your studies in this College?
- How confident in your preparation do you expect you will be to enter a career at the time that you graduate?
- What are your thoughts about the technology in the College?
 - Is technology being modeled and implemented in your instruction?
 - Do you use the computer labs? The collaboration labs? If not, what could the College do to help in this area?
- What new initiatives, new programs, and new opportunities should the College pursue?
- Do you have any other thoughts or comments you would like to share with us?
